Judicial Tenure Commission Recommends Judge For Reappointment To Senior Status

This is to notify members of the bar and the general public that the Commission has submitted its report to Chief Judge Lee F. Satterfield concerning the qualifications and fitness of Judge Stephen F. Eilperin to continue serving as a Senior Judge of the Superior Court of the District of Columbia. The Commission evaluated Judge Eilperin's performance and activities, since his reappointment as a Senior Judge four years ago, and based on that evaluation the Commission recommended Judge Eilperin's reappointment as a Senior Judge.

The decision to appoint or reappointment a Senior Judge candidate must be made by the Chief Judge of the candidate's Court within 30 days after receipt of the Commission's recommendations and findings. The decision of the Chief Judge regarding such appointment is final.
